0.8 kg

Product description

What's more enjoyable than letting chickens eat from your hand? Or simply spoiling them a bit? This is easily done with Garvo 1070 chicken treats. Garvo chicken treats are used in addition to meal or grain products. They consist of many dried shrimp flakes (gammarus) and seeds, including spinach seeds that chickens absolutely love. Chicken treats provide variety and extra animal protein. Chicken treats are not only delicious but also nutritionally responsible.

Feeding advice

- Give a handful occasionally for variety or as a treat
- Feed in moderation, don't overdo it
