20 kg

Product description

Fyto GOLD is a high-quality sport muesli for warmblood horses. Very suitable for horses that have to deliver (top) sport performances in the show arena or on the tracks. This muesli is for horses that have to get and stay in optimal condition. Fyto GOLD contributes to a balanced energy supply that ensures minimal buildup of lactic acid during (heavy) performance.

Feeding advice

- Give daily 600-1000 grams 230 Fyto gold per 100 kilograms body weight
- The recommended daily ration is a guideline, adjust the daily ration according to your own experience
- The recommended daily ration is a guideline, adjust the daily ration according to your own experience
- After work, wait at least one hour before feeding
- Always provide fresh drinking water
- Also suitable to combine with Fyto NOVA
