- **Suitable for horses of all ages:** This feed is ideal for both young and older horses.
- **High-quality proteins:** Fibre ALFA contains a high protein content to support muscle development.

Available packaging:

20 kg

Product description

The 2371 Fytolin Fibre ALFA is a supplemental alfalfa pellet specifically designed to enhance the intake of high-quality protein without a high energy content. This naturally protein-rich alfalfa pellet supports muscle mass development in horses.

Feeding advice

- Feed 75 - 200 g of 2371 Fytolin Fibre ALFA daily per 100 kg of your horse's body weight.
- Ensure that the total share of forage and Fytolin Fibre is at least 2 to 2.5 kg per 100 kg of your horse's body weight.
- The recommended daily amount serves as a guideline and can be adjusted based on your horse's needs.

Composition

alfalfa
