

5080 guinea pig mixture

complete, selective mixture. Suitable for all guinea pigs

Available packaging:

15 kg

3 kg

Feeding advice

- always feed guinea pigs straw or hay. They need a lot of extra fibres
- vegetable or fruit supplements can be given, but are not necessary, thanks to the vitamin C in the feed
- give guinea pigs daily fresh feed; about 30 – 45 grams per day per animal
- do not give too much feed, so that the guinea pigs eat their dishes clean. Otherwise they only eat the most tasty bits (selective feeding) and leave the other necessary nutrients behind.
- if the guinea pigs eat too selectively, feed preferably pellets

Composition

carob pods, soya dehulled extracted toasted, linseed fibers, barley, oats, maizeflakes, rape seed extracted, peasflakes, red beet ball, maize gluten feed, alfalfa, palm kernel meal, beet pulp, linseed expeller, maizemash, lucerne hay, carrotchips, vegetable Chips, apple molasses, shell grit, st. Johnsbread, carrot flakes, lignobond, lime stones, organic acids, soja oil
