Feeding advice

- pressed chunks have less volume. It's more filling than it seems!
- the necessary amount of rangers is strongly dependent on the breed, age, condition and activity of the individual dog, and its ambient temperature
- don't let the dogs become too heavy, that is bad for their health and condition
- too heavy dogs often refuse feed
- store the feed cool and dry
- always take care that there's enough fresh drinking water
- make sure that the dog always gets enough exercise
