

5636 rangers CR dogfood puppy

complete, easily digestible small extruded lump with extra omega 3 and 6. Suitable for pups and young, growing dogs from 3 weeks old on until the teeth have changed. Watch out: make the feed a bit moist for the very young pups. Feed them 3 times a day, restrict the amount to what they can eat in about 15 minutes, and remove the rest of the feed

Available packaging:

10 kg

Feeding advice

- pressed chunks have less volume. It's more filling than it seems!
- the necessary amount of rangers is strongly dependent on the breed, age, condition and activity of the individual dog, and its ambient temperature
- don't let the dogs become too heavy, that is bad for their health and condition
- too heavy dogs often refuse feed
- store the feed cool and dry
- always take care that there's enough fresh drinking water
- make sure that the dog always gets enough exercise

Composition:

cereals (corn, wheat, barley, rice), meat and animal derivatives (chicken, beef, pork), vegetable byproducts, oils and fats, minerals
